EARLY CHILDHOOD EDUCATION

Career/Transfer Program

Degree Offered: Associate in Applied Science

Credits Required: 62

Contact: Teresa Thompson, Early Childhood Education
Lead Instructor, 316.323.6883 or
Sue Barrientos, Early Childhood Education
Coordinator, 316.323.6845

Accreditation

The EduCare Center Lab on the Butler of El Dorado Campus is accredited by the National Association for the Education of Young Children (NAEYC). It is a Kansas Quality Rating Improvement System KQRIS five star center.

Requirements

Students must have completed a health physical on the Kansas Department of Health & Environment Form KDHE before participating in the required program practicums CD 223 and CD 224. Criminal checks will be required for all Early Childhood Education students at the beginning of a practicum CD 223 or CD 213 and/or at the time of employment in a licensed childcare center. All students must achieve grades of C or better in all subjects courses with a CD indicator.

Recommended Course Sequence

Early Childhood Education students must have 6 hours of required courses with CD indicator before enrolling in practicum courses, CD 223 or CD 224. First semester program students with previous childcare experience may enroll in CD 223 or CD 213 with instructor permission. CD 123, Principles of Early Childhood II may be completed before CD 122, Principles of Early Childhood I. Red Cross First Aid Certification or Lifesaver Learning will fulfill the HL 130 First Aid 2 credit hour requirement, however the student will need to replace this requirement with 2 credit hours in Early Childhood or approved related courses. CD 222 Childcare Administration should be taken in the last semester of the program.

After Butler

Upon completion, any of our programs in Early Childhood Education will qualify you to direct a center of up to 100 children as well as teach and/or administrate in childcare centers.

With a certificate or an associate's degree in Early Childhood Education you can start a career as a: child care director, child care teacher, special education paraprofessional, Head Start teacher or Early Head Start teacher, among other early childhood positions.

EARLY CHILDHOOD ASSOCIATE

APPRENTICESHIP PROGRAM

Your Butler experience will prepare you for successfully working with children. ECAAP is an apprenticeship program supported by a grant from the Kansas Department of Social and Rehabilitation Services. You'll gain reflective and guided experience in working with children and families. The goal is to raise the quality of child-care by providing college-level early childhood education to childcare workers through education stipends, salary increases and on-the-job training. Butler provides the training opportunities, however, the student must enroll with ECAAP prior to enrollment to be a program participant in the apprenticeship program. Contact ECAAP program consultant at 771.6830 for more information.
