CHILD HEALTH ASSESSMENT

The Child Health Assessment is to be completed and signed by a nurse approved by KDHE to perform Child Health Assessments or a Licensed Physician. If a Physician Assistant (PA) completes the Child Health Assessment, the signature of the Licensed Physician authorizing the PA is to be included at the bottom of this form.

A Child Health Assessment, recorded on a KDHE Form, is required for all children including children of the provider or staff in licensed Day Care Homes, Group Day Care Homes, Child Care Centers and Preschools. A Child Health Assessment is optional for children in Registered Family Day Care Homes. A Kan-Be-Healthy Assessment Form is a KDHE form and is acceptable. A School Health Assessment Form is also acceptable for school-age children or youth.
