2011-2012 Verification Worksheet – Independent Student

Your application was selected for review in a process called "Verification." In this process, Butler will be comparing information from your application with signed copies of your (and your spouse) 2010 Federal tax forms, your (and your spouse) W-2 forms, or other financial documents. Per federal regulations, institutions have the authority to verify all data information on the FAFSA and other financial documents we request. *Butler must review the requested information under the financial aid program rules.*

If there are differences between your application information and your financial documents, corrections will need to be made to your Student Aid Report (SAR). Butler may send corrections electronically, to have your information reprocessed.

Complete this verification worksheet as soon as possible, so that your financial aid will not be delayed.
