

## **COURSE OUTLINE** **Beginning French II**

### **Course Description**

FL 119. Beginning French II. 5 hours credit. Prerequisite: FL 118 with a C or better or three units of high school French. This course will enable the student to communicate using fundamentals of basic vocabulary and phrases, pronunciation, and reading and writing. The student will also define cultural characteristics inherent to the target culture and study the relevance of the target language community as it reflects on his/her own life. This course is designed for the student who is *continuing* basic language study and preparing to pursue foreign language credits that fulfill degree requirements.

### **Course Relevance**

Studying another language and culture provides powerful keys for successful communication: “knowing how, when, and why, to say what to whom” (National Standards, 1996). “The organizing principle for language study is communication, which highlights the social, linguistic and cultural aspects of language. The approach to a second language ...is meaningful interaction with others, whether they are on another continent, across town, within the neighborhood, or in the classroom” (Kansas Initiative for State Standards – Foreign Language [KISSFL]).
